**If for any reason you cannot mow on the date assigned, please contact another club member to switch dates with. If you do change dates, please call LeeAnn Carpenter (517) 749-7459. It is your responsibility to call the member preceding your date to see when they mowed last.

**If you are a new member and your name is not listed, it would be appreciated if you could arrange to help one of the families during their mowing week, preferably on a week with only one family listed.

Mowing consists of **mowing and **trimming** all areas behind the restaurant. Especially important is in and around the track, around the bleachers and around the concession stand. It is not necessary to mow to the far back of the property each week (area behind the island where trailers are parked for our large race weekends), but it would be nice to have the areas where our trailers are parked for club races kept up.

If the mower is broken or needs some attention, please contact Glenn Fountain (517) 712-1880 or Dale Raber (269) 998-6050 A.S.A.P. so we can get it ready for the following week.
